

National Bakers Association of Zimbabwe

More than Just your Daily Bread

8 Wellington Avenue, Belvedere, Harare, Zimbabwe

Cell: 0772 137 875

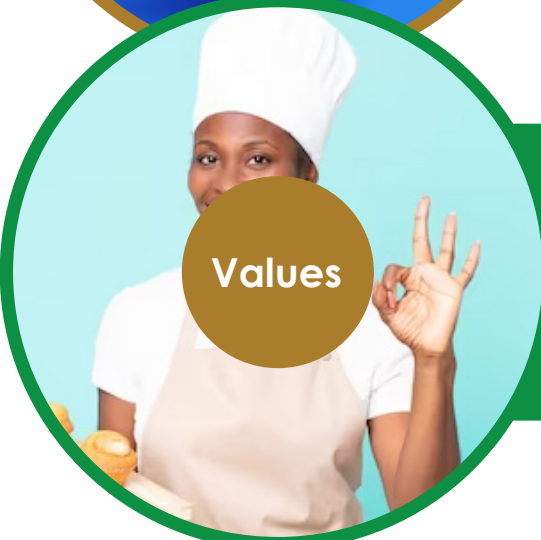

Vision

- To lead the baking Industry in Zimbabwe to excellency.

Mission

- To promote the provision of quality and affordable bakery products to our clients.
- To provide a professional representation of the baking industry to the public.
- To be the technology research source for the bakery industry.

Values

- Integrity
- Truthfulness
- Environmentally friendly

Objectives

- 
- A close-up photograph of a baker's hands kneading a large ball of dough on a dark surface. The baker is wearing a white t-shirt and a brown apron. The background is dark and filled with various baking ingredients and tools, including a bowl of eggs, a jar of flour, and a bottle of oil.
- To promote the interest of members.
 - To promote good labour relations in the industry.
 - To promote or establish mutual benefits schemes for members.
 - To represent all employers in the baking industry in the National Employment Council for the Food and Allied Industries (Baking Industry Sub-sector) and to thereby regulate and co-ordinate the relationship between members and employees.
 - To foster and encourage by whatever means available, research and development of skills in the Baking Industry and to liaise all institutions providing training for the industry.
 - To encourage good, safe and environmentally friendly working conditions for all employees in the industry.
 - To subscribe to become a member of, incorporate or co-operate with other association cooperate or unincorporated, whose objects are wholly or in part similar to those of the association with the objective of promoting the objects of the Association.
 - To serve and promote the interests of the Baking Industry in dealing with the government and its departments, provincial district and rural authorities and all other organisations whose activities affect the industry.
